DISCLAIMER

This information and opinion contained in this report have been compiled by our research department from sources believed by it to be reliable and in good faith, but no representation or warranty, express or implied, is made as to their accuracy, completeness or correctness. All opinions and estimates contained in the document constitute the department's judgment as of the date of this document and are subject to change without notice and are provided in good faith but without legal responsibility.

This report may contain forward looking statements which are often but not always identified by the use of words such as anticipate, believe, estimate, intend, plan, expect, forecast, predict and project and statements that an event or result may, will, can should, could or might occur or be achieved and other similar expressions. Such forward looking statements are based on assumptions made and information currently available to us and are subject to certain risks and uncertainties that could cause the actual results to differ materially from those expressed in any forward looking statements. Readers are cautioned not to place undue relevance on these forward looking statements. Sandhani AML expressly disclaims any obligation to update or revise any such forward looking statements to reflect new information, events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.
